## Deputy Principal's Note

Dear Parents and Carers,  
**School Holidays**

The end of Term 3 is fast approaching. Before we know it we will be on holidays and enjoying the beautiful Spring weather in Townsville. A little reminder is that **school will resume on Tuesday 6<sup>th</sup> October** as Monday 5<sup>th</sup> October will be a public holiday celebrating Labour Day. For those who are travelling, enjoy the break and remember to be safe.

### Oral Reporting

How is/are your child/ren progressing with their learning? Have you taken an opportunity to speak with your child/ren's class teacher this term? In weeks 9 & 10 of this term, parents and carers have the opportunity to meet with their child(ren)'s class teacher to discuss their child(ren)'s progress. We are encouraging all parents and carers to take this opportunity and to include their child in the meeting. Research has shown that when the student, parent and teacher are all clear about the focus, progress and success is much more likely.

### Prep Enrolments

Enrolments for Prep for 2016 are being taken now. For those who would like to arrange an appointment to enrol your son or daughter into Annandale State School for the 2016 school year, feel free to contact the office to arrange an appointment and to pick up an enrolment package. These packages are also available on the Annandale State School website.

### Oral Health Services

The School Dental Van will soon be offering an examination and treatment to the students of Annandale State School. To take up this offer, please complete the paperwork that will be sent home with your son/ daughter, and return it to the school office as soon as possible. If you would like more information on the Oral Health Service, feel free to access the following website:

<http://www.health.qld.gov.au/townsville>

### Annandale Day

On the 9th of September, 2015 it was Annandale's 18th birthday. We were joined by JCU maths professor and six JCU students who regularly come to our school and learn how we do our YuMi Deadly Maths. Ms Cooper handed out awards for students who received an 'A' on their Semester One report card. We spent the morning session completing YuMi Maths activities and some parents came and watched us learning too. We ended the morning celebrations with individual cup cakes. I love Annandale State School and I especially love maths and birthday cake.

<b>You Can Do It!</b>	<b>5 KEYS TO SUCCESS</b> The framework of Annandale State School's Responsible Behaviour Plan for Students
	<b>Confidence:</b> Means trying something new and not being afraid of making mistakes.
	<b>Persistence:</b> Means sticking to work that seems very hard or impossible to do and not giving up.
	<b>Getting Along:</b> Means helping others with their school work, working nicely in small groups, and managing your temper when someone is mean to you or doesn't do what you want.
	<b>Resilience:</b> Means you are good at staying calm (you don't get nervous, down or angry), calming down when you get upset and bouncing back to do your work and play with others.
	<b>Organisation:</b> Means having all your school supplies with you at school and home, placing your past work into folders with dividers, having the goal to be successful and do your personal best, planning your time so that you do not rush your work.

### "You can do it" Award winners

Each student receives a reward sponsored by Rock Paper Scissors. There are many students who demonstrate the keys to success every week. The names of these students were drawn out on the school assembly.

#### LOST PROPERTY

**Have you lost something at school lately?**

- There are lots of items to be claimed in the lost property box in the CPA. Please ensure that all items are named, so they can be returned to your child.
- The lost property box will be cleared out at the end of term.

*Annandale Day was on Wednesday, 9th September it was our school's birthday. The school is 18 years old and we got cake to celebrate. A JCU professor and six students from JCU talked to us about Minions and how minions are all different and work together and so too with our maths we can build a minion army of understanding. We played maths games all morning and had a great day. Maths is great.*
