Principal's Note

Welcome to the 2017 school year. A special welcome to the new families who have joined the Annandale SS community.

SCHOOL LEADER INDUCTION CEREMONY

Our school leader induction ceremony will be held in the 'Shed' at **2:30pm on Friday 10 February**. Councillor Verena Coombe will be our special guest on this day.

Parents of school leaders—School Captains, Vice School Captains, Indigenous Leaders, House Captains and Student Councillors - are invited to a special afternoon tea at 1:15pm in U1 & U2 before the ceremony. We congratulate our school leaders and wish them every success as they perform their roles. Student Councillors and Sports Captains will be announced on the senior assembly at 2:30pm.

School Assemblies

The junior school (prep to year 2) generally assembles Thursday afternoon at 2:30pm in the covered play area (CPA).

The senior school (year 3 to year 6) assembles most Friday afternoons at 2:30pm in the Shed.

At least once each term the school assembles as a whole group in The Shed, on the basketball courts. All parents and carers are invited to our school assemblies. Please note, there is only one assembly each week so when a whole school assembly is held there is no P-2 or Year 3-6 assembly during that week.

Our first whole school assembly will be the student leader induction ceremony held on February 10 (week 10).

Parent/Teacher Meetings

In the next two weeks of the school year, all Prep to Year 6 parents/carers are invited to attend Meet and Greet Meetings with their children's class teacher/s. (See the timetable below.)

At these meetings class teachers provide information about their year level curriculum, classroom expectations, homework procedures and much more. Research indicates that it is essential for the home and school to work together to get the best possible outcomes for our children. We encourage all parents/carers to join us for these informative meetings. Each year level will meet together briefly and then move to individual classroom to discuss classroom procedures.

YOU DID IT AWARD

In 2017 our school has begun implementing Positive Behaviour for Learning or PBL. This new system for behaviour management is being implemented school wide. Our school expectations are very visible around the school and the classrooms. More information about PBL will be shared with our school community at the upcoming Class Information Nights. One of the changes has been to our YOU DID IT awards. These are aligned to the expectations. Here is an example:

Congratulations, you have shown the following school expectations through your behaviour.

BE SAFE

BE RESPECTFUL

BE A LEARNER

These will be given out in the classroom and the playground by all staff members. Students are then put into the weekly draw on assembly. Five students in each year level will receive an icy cup as well as their award.

LIBRARY NEWS

Tips for helping your Child become a great Reader

Over the next couple of newsletters I will be including some tips on how to help your child develop as a reader. These tips are based on research and come from experts in the field of reading and language acquisition.

Tip 1: Read aloud to your children: If you follow no other tip follow this one, reading to your children helps them to learn the language of books and it will encourage them to enjoy books and reading and best of all kids love this special time with you!

Tip 2 Share stories without books: Tell and re tell stories of all kinds including favourite stories, fairy tales, movie plots, local news items and family history stories.

Tip 3: Read in your home language if your first language is not English. Experience shows that doing this will help your child learn to read in English.

Tip 4: Visit a Library near you: Borrow books for yourself as well as your child, this reinforces that you value reading.
