Spotlight

It is with great pleasure this week that we were informed that Timothy Salvador, one of our Year 3 students, won the Townsville Yamaha Keyboard Festival held at Castletown. The competition was open to all Townsville residents (from 7 to 17 years old). The competition attracted 118 participants and Timothy was one of two contestants chosen to represent Townsville in the State championship in Brisbane this October. We congratulate Timothy on this wonderful achievement and wish him all the best in October.

Next P & C meeting :

Deputy Principal’s Note

Dear Parents, Carers and Friends

We are now over half way through Term 2 and it is very pleasing to see the great work that is going on in classrooms. Thank you to the many parents who joined us last week for our open afternoon during Education Week. We certainly have much to celebrate at Annandale.

YuMi Deadly Maths (YuMi)

As you are aware, Annandale teachers use the YuMi Deadly Maths pedagogical framework. Next week Ms Robyn Anderson, our QUT (Qld University of Technology) YuMi Deadly mentor, will return to work with our teachers, students and parents to further embed the YuMi Deadly pedagogical framework into our teaching practices.

The teachers report many positive outcomes as a result of the YuMi Deadly approach to teaching Maths. Ms Robyn Anderson will again conduct a workshop session for parents and carers during her week at Annandale. All parents and carers are invited to attend the workshop session. Please note that this session will not be the same as the information session Robyn presented in 2013.

YuMi Deadly Maths Parent and Carer Workshop session:
Wednesday 4 June
2:00-2:45pm –U block
5:30-6:30pm-U block (repeat session)

Come along and become a maths champion.

Christian Education Presentation and Bible Club

Once again this year the students from Bob Jones Christian University USA are visiting Townsville and Annandale State School has been chosen to host their Christian Education Presentation and Bible Club. Our students are invited to attend these events (see details below).

Permission forms are available in the school office and must be returned to the school no later than Friday 13 June at 9:00am should you wish your child to be involved in one or both of these activities.

5 KEYS TO SUCCESS—YOU CAN DO IT!

the framework of Annandale State School’s Responsible Behaviour Plan for Students

**Behaviour Focus Keys**

Confidence: Means trying something new and not being afraid of making mistakes.

Persistence: Means sticking to work that seems very hard or impossible to do and not giving up.

Getting Along: Means helping others with their school work, working nicely in small groups, and managing your temper when someone is mean to you or doesn’t do what you want.

Resilience: Means you are good at staying calm (you don’t get nervous, down or angry), calming down when you get upset and bouncing back to do your work and play with others.

Organisation: Means having all your school supplies with you at school and home, placing your past work into folders with dividers, having the goal to be successful and do your personal best, planning your time so that you do not rush your work.

LIBRARY NEWS

**Book Fair**

The Book fair is humming along this week, with lots of children getting excited by the book selection on show. Thank you to all those who support our fundraising venture. Book fairs are always a winner for all.

**Readers Cup**

Annandale State School is once again entering a team in the prestigious Readers Cup. This is an interschool Reading competition where teams of students read a set selection of books and then compete against students from other schools in the North Queensland Education District in the Readers Cup Challenge. This is a quiz about the books with the teams being awarded points for correct answers; the team with the most points wins the Readers Cup trophy. The regional winning team will then be flown to Brisbane to compete in the State Readers Cup Final later in the year.

This year the competition is being held at the Mary Mackillop Centre, Ryan Catholic College, 28 Morindo Drive, Kirwan on Thursday 12 June. We are fortunate at our school to have many high quality readers capable of representing our school in this competition. After a rigorous selection process a squad has been selected. So congratulations to the following students who have been chosen in the Annandale Readers Cup Squad: Samantha Leicht, Reegan Maggenti, Arshak Shaju, Dylan Haar, Ariana Bourke and Kristin Renall. These students are currently working hard reading all the books in preparation for the event and we wish them all the best in their endeavours.

**Ten Day Teaser No 7**

Can you add appropriate Maths symbols into each of the 5’s sequences below to make each one a true number sentence?

5 5 5 5 5 = 15
5 5 5 5 5 = 40
5 5 5 5 5 = 5
5 5 5 5 5 = 115

Answers must be submitted using the answer sheet from the Library by Friday June 6 at 3:00pm. Winner will be drawn at 2nd break on Tuesday June 10 in the Library. The last teaser was solved by 15 students but Kirsten Howlett from 7F1 was the one who was drawn from the Box.

Teacher/Librarian

**Relief cleaners**

Relief cleaners are a very valuable asset in schools. If you know of anyone who is willing to work as a casual relief cleaner, please have them contact Irene Wellman in the office. Interested applicants will need to be able to work either a morning shift or afternoon shift, or both and have a paid “Working with Children” blue card.
MUSIC NOTES ♫♪♫♪# Just a reminder that all students are to practice singing and playing their instruments every day (15 – 30 minutes a day can make a big difference by the end of the week).

All Year 6 & 7 students need to practice singing Lil Liza Jane whilst clapping a syncopated rhythm. This is part of their assessment.

Year 5 students are to be practicing the song Draw a Bucket of Water on their recorders and singing the song Kookaburra for their assessment. Recorders are $12 from school canteen.

Year 4 students need to practice singing the song Rover whilst clapping the rhythm and walking the beat. This is part of their assessment.

Year 3 students need to practice Page’s Train and Sea Shell.

Year 2 students need to practice singing Ickle Ockle plus singing and clapping the rhythm of Johnny caught a flea for their assessment.

Week 5 Music Student of the Week Award went to Jordan McAdam of class 5E4 and Kristin Renall of class 7G2 for demonstrating a very high standard of music knowledge and always showing exceptional mature behaviour.

Who will be Music Student of the Week for week 6? Find out on Friday afternoon.

Thank you

FUN RUN

This year we will be holding our school Fun Run on Friday, June 20 from 9.00am-11.00am. Students should already have their sponsorship forms. This year the P and C have provided funds for the highest fundraising class in both the junior and senior school to hold a pizza party to celebrate their achievements. As well as this, the class with the most number of laps (average) in both senior and junior school will also receive a pizza party. (Must put the carbs back on!) Exercise the body...exercise the mind! Good luck to all classes.....let the competition begin!

DEFENCE NEWS

Defence Parent Afternoon Tea
Please join us if you can for an informal afternoon tea. It is a great opportunity to meet new people, the DSTA’s and spend time with new friends. If you know of other Defence parents/carers in our school who haven’t come along before, perhaps you could invite them to join you. Afternoon tea is provided and we have toys for young children. We are looking forward to seeing you then.

Where: Defence Room - J Block (Near basketball courts)
When: Thursday 5th June
Time: 2:00pm (Please note the change in start time)

The staff at Defence Holidays NQ would be happy to provide you with information and/or ideas for the upcoming Queens Birthday long weekend. Please do not hesitate to contact them as they may be able to offer discounts on some activities. You can contact them by phone on 4725 3842, go to their website www.ngahr.com.au or call in to see them. They are near the Base Pool and Gymnasium at Lavarack Barracks.

SAFETY ISSUES

Ongoing Safety Concerns
There are a number of parents and carers who are currently using our staff carpark on Oleander Street as a drop off and pick up area for students. This carpark is not designed for this purpose and consequently places students safety at risk.

We ask that you consider the following if you need to use the staff carpark.
- Use available parking spaces
- Take extreme care of cars reversing out of parking bays
- Take note of signage (some of this has changed in the last week)

Your extreme care and vigilance is vital when dropping off and picking up students in our school zone.

The students and I really enjoyed celebrating Chappy Week. As part of the “Chappy Rocks” theme, we made pet rocks. The students showed great creativity with ladybird rocks, frog rocks and many more.

The normal craft program started again this week with students continuing to make their fabulous laying hens. Next week will be the last week for this craft. Stay tuned for more information about new craft starting in week 8.

One of the most popular features of the Games Room has been the play dough. If you could help out making the play dough please let me know. We would appreciate any help that can be offered.
