Term 2 2014
13 June—Christian Education Presentation (first break)
13 June—Season 2 Friday sport payment due by 9am
16 June—P&C Meeting
16–20 June—Bible Club
20 June—Final camp payments due Yrs 6 & 7
20 June—Fun Run
24 June—Sports Day
26 June—Defence Parent Afternoon Tea
27 June—Last Day Term 2
14 July First Day Term 3

Principal’s Note

Semester 1 Student reports
Semester 1 Student reports will be issued in Week 1, Term 3. This allows for all classes to complete their assessments and teachers to collate results. The Australian Curriculum for English, Maths, Science, History and Geography has been supported by Education Queensland’s C2C units – Curriculum to Classroom units. These units have a demanding schedule of learning, as well as a very prescriptive assessment program. Both staff and students have worked consistently to maintain and meet the timelines set by these C2C units.

Report card comments
Reporting is very closely aligned to curriculum, pedagogy and assessment. It is the quality of the evidence gained from the assessment process that enables accurate reporting. Teachers use Guides To Making Judgments (GsTMJ) to make judgments about a portfolio of evidence produced by the student. To attain a result on the report card, teachers combine the results from various tasks to develop an overall, on-balance level of achievement for each Subject area or KLA and report these results. Each portfolio includes a student profile.

Guides to making Judgment are developed from:
- Australian Curriculum for English, Mathematics, Science, History and Geography
- Essential Learnings Assessable Elements for Studies of Society and Environment (SOSE) The Arts, Technology, Health and Physical Education (for years 6 & 7) LOTE Chinese

Report card comments have been developed to report on student achievement of the Australian Curriculum in English, Maths, Science, History and Geography. The comments reflect the criteria or important aspects that are assessed and use the language of the curriculum. For all other subjects (SOSE, Technology, The Arts, HPE and LOTE), the comments will remain the same as previous years.

Year 4 Magnetic Island Camp—1 & 2 May

12 June 2014  Term 2, Week 8

Next P & C meeting:
Date: 16 June  2014
General meeting
Time: At 7pm
Where: Admin Block

Year 4 Magnetic Island Camp
Week 2 Term 2 (1 & 2 May), 84 excited Year 4 students, 4 class teachers and 8 brave parents attended a science-based camp at Magnetic Island. The camp was designed to support our latest Science unit with the primary study being that of the Bush stone-curlew. The camp was conducted over two days and consisted of set rotational activities facilitated by the Paluma Outdoor Education Staff and centred around studies on habitat, threats to this species of curlew and the food chains and webs of this mysterious sometimes ‘scary’ bird. All students were fortunate enough to observe and photograph the Bush stone-curlew in its habitat and some groups were lucky enough to come across a very sleepy koala in a large eucalypt on the Maggie Island golf course. For most of our Year 4 students, this was their very first school camp experience and for some it was their first sleepover, albeit a very big one. Our accommodation and camp base was the Apex Recreational Centre at Picnic Bay. The students enjoyed the excitement of the cabin-style accommodation and the experience of refectory style dining. The camp was a worthwhile learning experience for students, teachers and parents and has greatly assisted the children with their upcoming science assessment. There’s nothing like a hand-on experience to reinforce the classroom curriculum. A big thanks goes out to the brave parents who accompanied the teachers and students on this camp. Your help was truly appreciated; we couldn’t have done it without you.

Full payment for Year 6 & 7 Camp has been extended to Friday 20 June (Week 9)

Yours in education

Kerry Finn
Deputy Principal
EVENTS/ACTIVITIES PAYMENTS

Your earliest attention to these payments is gratefully appreciated. If you are unable to meet the payment closing dates, please contact the school administration early on to discuss alternate arrangements.

The cash collection window is open between 8:15 to 9:00am and 2:15 to 2:45pm, or phone us on 4729 5111 for credit card payments. Thank you for your support.

5 KEYS TO SUCCESS— YOU CAN DO IT!

The framework of Annandale State School’s Responsible Behaviour Plan for Students

**Behaviour Focus Keys**

**Confidence:** Means trying something new and not being afraid of making mistakes.

**Persistence:** Means sticking to work that seems very hard or impossible to do and not giving up.

**Getting Along:** Means helping others with their school work, working nicely in small groups, and managing your temper when someone is mean to you or doesn’t do what you want.

**Resilience:** Means you are good at staying calm (you don’t get nervous, down or angry), calming down when you get upset and bouncing back to do your work and play with others.

**Organisation:** Means having all your school supplies with you at school and home, placing your past work into folders with dividers, having the goal to be successful and do your personal best, planning your time so that you do not rush your work.

"You can do it" Award winners

Angus Faichney  PP2
Emma O’Dea  1B4
Mia Beale  1B4
Jade Walkom  1/2C1

Class of the Week 3L1

MUSIC NOTES ♫♪♫♪#

Reminder for Year 5 to bring to school their blue music workbook and recorder. They should have practiced all the notes up and down the recorder, the song Draw a Bucket of Water and attempted Andante.

Reminder for Choir and Instrumental students to practice their pieces every day. 15 to 30 minutes will make a difference by the end of the week. The Eisteddfod is our next focus and scheduled for September.

Last week’s music student of the week was Justin Tolentino from 5E4 for always being attentive, performing his best and always demonstrating exceptional mature behaviour and Jacob Simon from 1B2 for achieving excellent results in music. Congratulations boys and keep up the good work.

Karen O'Donnell
Music Coordinator

YUMI DEADLY MATHS NEWS

YUMI Mapping – Which Way?

Last week, Mrs Anderson visited our classroom to help us learn about reading maps and how to use positional and movement language to get from one place to another. We had fun playing Crocodiles on our Yumi mat. We then drew our own pathways on a grid and created a game to play with each other!

We also learnt to use coordinates with our Yumi mat, and used bags and rulers as features like bridges, mountains and monsters. Learning Maths the YUMI way is fun!

SPORTS TALK

Season two sports commences on Friday 13 June. All payments, permission forms and code of conduct forms need to be made by this Friday. All uniforms from Season one sports need to be returned.

Interhouse Sports Day Our annual interhouse sports day will be held on Tuesday 24 June. Get ready to run, jump, throw and cheer your team on!

Fun Run This year we will be holding our school Fun Run on Friday, June 20 from 9.00am-11.00am. Students should already have their sponsorship forms. This year the P and C have provided funds for the highest fundraising class in both the junior and senior school to hold a pizza party to celebrate their achievements. As well as this, the class with the most number of laps (average) in both senior and junior school will also receive a pizza party. (Must put the carbs back on!) Exercise the body...exercise the mind! Good luck to all classes.....let the competition begin!

Brett Hull
P E Teacher

LIBRARY NEWS

Book Fair
Our Book Fair last week was again a wonderful success with nearly $4000 in sales made, meaning the Library received just under $1200 worth of free books and resources to add to the collection. Thank you once again for your support of this fundraising activity. Of course this would not have been possible without the help of a generous group of volunteers who have willingly given their time to assist with this event. On behalf of the school I would like to pass on a huge thank you to these tireless workers, Annette Leicht, Leanne Hervey, Peter Gardener, Karen Flynn, Natalie Renall, Sharon Read and Christine Knickel for their help with the smooth running of Book Fair. Your assistance is greatly appreciated.

Readers Cup
Our Readers Cup team to compete in the 10th Annual Readers Cup Challenge tonight Thursday 12 June at Ryan Catholic College has been finalised. These students have been working hard reading books, writing questions and testing each other in an attempt to be the first Annandale team to win the prestigious Readers Cup. If they are successful they will fly to Brisbane to compete in the state finals of the competition. Well done and good luck to Arshak Shaju, Samanatha Leicht, Ariana Bourke and Reegan Maggenti we know you will be great representatives for our school.

Ten Day Teaser
Congratulations to Harrison Davies from 4D3 who was the lucky winner of Ten Day Teaser number 7 his answer was drawn from 10 students who had managed to solve the challenge correctly. He chose a Volcano Making Kit as his prize. The new teaser is listed below:

Wuzzle Challenge A wuzzle is a saying or phrase that is made up of a display of words, in an interesting way. The object is to try to figure out the well-known saying, person, place, or thing that each wuzzle is meant to represent. Can you work out the 6 wuzzles below?

Fun Run and Interhouse Sports coming soon!
