2015 Year 5 – 1 to 1 Laptop Classes
All nomination forms MUST be handed in to the office by 4pm Friday 19 September (end of term 3). I am currently replacing Mrs Finn, who is on a well deserved break. I am really enjoying going around to the various classrooms and seeing the wonderful work that the teachers are sharing with our children. Our teachers are so creative in delivering their lessons, and constantly encourage our children into good learning patterns, which will stand them in good stead in future learning years. Well done teachers.

5 KEYS TO SUCCESS— YOU CAN DO IT!
The framework of Annandale State School's Responsible Behaviour Plan for Students

**Behaviour Focus Keys**

**Confidence:** Means trying something new and not being afraid of making mistakes.

** Persistence:** Means sticking to work that seems very hard or impossible to do and not giving up.

** Getting Along:** Means helping others with their school work, working nicely in small groups, and managing your temper when someone is mean to you or doesn’t do what you want.

** Resilience:** Means you are good at staying calm (you don’t get nervous, down or angry), calming down when you get upset and bouncing back to do your work and play with others.

** Organisation:** Means having all your school supplies with you at school and home, placing your past work into folders with dividers, having the goal to be successful and do your personal best, planning your time so that you do not rush your work.
