Annandale State School notice for parents

A reminder to parents/carers to notify the school about your child’s health

Annandale State School is committed to supporting students’ health and wellbeing. We would appreciate parents/carers providing the school with any relevant health information that is required to support the student at school. This information is also collected at enrolment but needs to be updated regularly, or if a new health condition develops.

Information about medically diagnosed conditions such as allergies, asthma, diabetes and epilepsy and other health conditions that may require school staff to provide support to students, including administering medication and performing health procedures, should be provided to the school. Additionally, any health need that may impact on school activities such as sports, outings (including camps) should also be discussed with the school.

Information should be provided in writing, and any specific health plans (only to be completed and signed by the medical practitioner) should be included. Please contact the school to discuss any specific requirements.

Please inform the school office staff of any changes to contact details or the contact details of the people nominated as emergency contacts.

Thank you for your assistance in this regard. All information is kept confidential and only disclosed to the relevant staff required to supporting your child.

For any enquiries, please contact the school office on telephone (07) 4729 5111.
