 - b. Technologies in Years 7 and 8?
5. For those learning areas/subjects that have **curriculum and/or standards in bands of years** (The Arts, Dance, Drama, Media Arts, Music, Visual Arts, Digital Technologies, Design and Technologies, Languages subjects), will the school teach, assess and report on them:
 - a. across a band of years?

8. How will **time be allocated** to develop timetables of study that are appropriate to year/band, curriculum requirements, and the individual school's needs?
9. What **resources** are available to support schools making decisions about implementing the Australian Curriculum Version 8 by the end of 2020?
10. How will the school use the whole school curriculum, assessment and reporting plan and OneSchool's functionality to **record school based decisions** about:
 - a. how to implement the whole Australian Curriculum Version 8 by the end of 2020? And beyond 2020?
 - b. which learning area/s and/or subjects the school will teach, assess and report on each semester from Prep to Year 10?
